### 2010 Junior Traveling 14U and 12U Teams - "Goodwill Mission" Manila, Philippines

It was a mission of goodwill for the traveling teams meeting and playing together with underprivileged kids in Manila. As part of their goodwill mission the Typhoons donated \$300.00 for school supplies, basketball shoes and sports apparel to be distributed amongst the residents at Tuloy sa Don Bosco Street Children Village. "We thank the Typhoons traveling teams for their generosity and the quality time spent getting to know our residents," said Marri San Juan. San Juan together with Father Rocky oversees the operations of the orphanage located in Alabang, Philippines. The Typhoons learned that there are others less fortunate in the world and giving up a small part of their lives with donations and personal time would leave a lasting impression for everyone.
